

## July 9, 1943, letter from B.A. Botkin to Willis Laurence James

**July 9, 1943 Dr. Willis Laurence James The Fort Valley State College Fort Valley, Georgia**

Dear Dr. James:

In a conversation with me, Lewis Jones suggested that you might borrow the Fisk University recording machine for the August Festival. This seems to me like a good idea and I hope you will follow it up.

How is everything going?

With best wishes,

Faithfully, B. A. Botkin Assistant in Charge Archive of American Folk Song
